

Enough (feat. M. Maggie)

Black Coast

So what about love?
Whatcha gonna do when you got it?
I heard it in a song
So sorry it's been on my mind since we first started. A topic to discuss it
One thing I can't seem to wrap my mind around it sick
It's something I need to be happy
Please tell me that you feel it too
And if it's true
Will I be enough for you?
Will I be enough to make you think nothing's better?
Will I be enough for you to want me, to want me
Or are we caught in the middle of it? You're not one to rush
I'm panicking anyway
Cuz I can't let you away
Tell me can I have you today And I don't need to push it
But I can't seem to stop once my head and my heart mix
It's all I need...
All I need is love. Will I be enough for you?
Will I be enough to make you think nothing's better?
Will I be enough for you to want me, to want me
Or are we caught in the middle of it?
Will I be enough for you?
Will I be enough to take off all the pressure?
Will I be enough for you to want me, to want me
To want me to want me
