

Deserve to Be

Jimmie Allen

More than a small town every day girl I see with her hair pulled back
You're more than a part don't pay diner across them tracks
Wanna pull you out from behind them shades
Break all your rules yeah it's time for a change
Get you out of that one way, one light town you deserve to be First class high on an airplane
Drinks in Italy baby while we sun bathe
Learnin' some Spanish let's go uno, dos, tres andale, your kinda thing
It's the cravin' from the top of the Eiffel
Holdin' your hand down a New York side walk
Northern lights and stars shootin' down when you're next to me
My world you deserve to be, yeah, yeah
I know you had dreams of life out side this
corn field high school glory days kinda place
I know you've been savin' money up in
your top drawer hpin' to make it out someday
Girl if you can see what I see
You know for sure you deserve to be First class high on an airplane
Drinks in Italy baby while we sun bathe
Learnin' some Spanish let's go uno, dos, tres andale, your kinda thing
It's the cravin' from the top of the Eiffel
Holdin' your hand down a New York side walk
Northern lights and stars shootin' down when you're next to me
My world you deserve to be
First class high on an airplane
Drinks in Italy baby while we sun bathe
Learnin' some Spanish let's go uno, dos, tres andale, your kinda thing
It's the cravin' from the top of the Eiffel
Holdin' your hand down a New York side walk
Northern lights and stars shootin' down when you're next to me
My world you deserve to be Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh Girl you're more than you think you are yeah
Yeah, yeah Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
