

# Hypnotised

McFly

I feel like i've been here once before,  
you threw my bags out through the door,  
and in the road.  
i came home to find them on the floor,  
and as the rain began to pour,  
i got cold.  
and i tryed to compromise,  
but you kept telling all these lies,  
and now i dont get to say my last goodbye.  
goodbye to you been waisting all my time,  
your no longer mine,  
and now you've left me i cant seem to get you off my mind.  
thats when i realised,  
you had me hypnotised  
Why am i now living on my own,  
she keeps inviting people home,  
all the time.  
why am i still paying for her to phone,  
when all the luxurys she owns should be mine.  
now i start to wonder why  
you shrug me off when i say hi  
treat me so bad despite how hard i try.  
goodbye to you been waisting all my time,  
your no longer mine,  
and now you've left me i cant seem to get you off my mind.  
thats when i realised,  
you had me hypnotised  
Girl you cant hold me back no more,  
guna be the one were writing lyrics for  
we had something good together,  
did you think you were big and clever,  
to throw me out in awful weather,  
how do i forget you now.  
(inturlude by danny on harmonica)  
thats when i realised,  
you had me hypnotised (had me hypnotised)  
you've been waisting all my time,  
your no longer mine,  
and now you've left me i cant seem to get you off my mind.  
thats when i realised,  
you had me hypnotiiiiiiiiiiiiiiiiised!
