## Pearl Jam

The waiting drove me mad  
You're finally here and I'm a mess  
I take your entrance back  
Can't let you roam inside my head  
I don't want to take what you can give  
I would rather starve than eat your bread  
I would rather run but I can't walk  
Guess I'll lie alone just like before I'll take the varmint's path  
Oh, and I must refuse your test  
Push me and I will resist  
This behavior's not unique  
I don't want to hear from those who know  
They can buy, but can't put on my clothes  
I don't want to limp for them to walk  
Never would have known of me before  
I don't want to be held in your debt  
I'll pay it off in blood, let I be wed  
I'm already cut up and half-dead  
I'll end up alone like I began Everything has chains  
Absolutely nothing's changed  
Take my hand, not my picture, spilled my tincture... I don't want to take what you can give  
I would rather starve than eat your breast  
All the things that others want for me  
Can't buy what I want because it's free  
Can't buy what I want because it's free  
Can't be what you want because I'm...  
Ain't supposed to be just one  
Oh, to live and die, let it be done  
I figure I'll be damned, all alone like I began  
It's your move now  
I thought you were a friend  
But I guess I... I guess I hate you...
