

# Somebody's Crying

Chris Isaak

I know somebody and they cry for you  
They lie awake at night and dream of you  
I bet you never even know they do, but  
Somebody's crying I know somebody and they called your name  
A million times and still you never came  
They go on loving you just the same  
I know that somebody's trying So please return the love you took from me  
Or please let me know if it can't be me  
I know when somebody's lying  
I know when somebody's lying  
I know that somebody's lying  
I know that somebody's lying Give me a sign and let me know if we're through  
If you don't love me like I love you  
But if you cry at night the way I do  
I'll know that somebody's lying  
So please return the love you took from me  
Or please let me know if it can't be me  
I know when somebody's lying  
I know when somebody's lying
