Happier

Marshmello & Bastille

Lately, I've been, I've been thinking

I want you to be happier, I want you to be happierWhen the morning comes

When we see what we've become

In the cold light of day we're a flame in the wind

Not the fire that we've begun

Every argument, every word we can't take back

'Cause with all that has happened

I think that we both know the way that the story endsThen only for a minute

I want to change my mind

'Cause this just don't feel right to me

I want to raise your spirits

I want to see you smile but

Know that means I'll have to leave

Know that means I'll have to leave

Lately, I've been, I've been thinking

I want you to be happier, I want you to be happierWhen the evening falls

And I'm left there with my thoughts

And the image of you being with someone else

Well, it's eating me up inside

But we ran our course, we pretended we're okay

Now if we jump together at least we can swing

Far away from the wreck we made Then only for a minute

I want to change my mind

'Cause this just don't feel right to me

I want to raise your spirits

I want to see you smile but

Know that means I'll have to leave

Know that means I'll have to leave

Lately, I've been, I've been thinking

I want you to be happier, I want you to be happierSo I'll go, I'll go

I will go, go, go

So I'll go, I'll go

I will go, go, goLately, I've been, I've been thinking

I want you to be happier, I want you to be happier

Even though I might not like this

I think that you'll be happier, I want you to be happierThen only for a minute

I want to change my mind

'Cause this just don't feel right to me

I want to raise your spirits

I want to see you smile but

Know that means I'll have to leave Know that means I'll have to leave Lately, I've been, I've been thinking

I want you to be happier, I want you to be happierSo I'll go, I'll go I will go, go, go Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
