

# Touch of Heaven

## Hillsong Worship

[Verse 1]

How I live for the moments  
Where I'm still in Your presence  
All the noise dies down  
Lord, speak to me now  
You have all my attention  
I will linger and listen  
I can't miss a thing[Pre-Chorus]  
Lord, I know my heart wants more of You  
My heart wants something new  
So I surrender all

[Chorus]

All I want is to live within Your love  
Be undone by who You are  
My desire is to know You deeper  
Lord, I will open up again  
Throw my fears into the wind  
I am desperate for a touch of heaven[Interlude][Verse 2]  
You're the fire in the morning  
You're the cool in the evening  
The breath in my soul  
Oh, the life in my bones  
There is no hesitation  
In Your love and affection  
It's the sweetest of all

[Pre-Chorus]

Lord, I know my heart wants more of You  
My heart wants something new  
So I surrender all[Chorus]  
All I want is to live within Your love  
Be undone by who You are  
My desire is to know You deeper  
Lord, I will open up again  
Throw my fears into the wind  
I am desperate for a touch of heaven[Interlude][Bridge]  
I'll open up my heart to You  
I'll open up my heart to You now  
So do what only You can  
Jesus, have Your way in me now  
I'll open up my heart to You  
I'll open up my heart to You now  
So do what only You can

Jesus, have Your way in me now  
I'll open up my heart to You  
I'll open up my heart to You now  
So do what only You can  
Jesus, have Your way in me now[Interlude][Chorus]  
All I want is to live within Your love  
Be undone by who You are  
My desire is to know You deeper  
Lord, I will open up again  
Throw my fears into the wind  
I am desperate for a touch of heaven[Interlude][Chorus]  
All I want is to live within Your love  
Be undone by who You are  
My desire is to know You deeper  
Lord, I will open up again  
Throw my fears into the wind  
I am desperate for a touch of heaven
