

# One More Time

## The Cure

I'd love to touch the sky tonight  
I'd love to touch the sky  
So take me in your arms  
And lift me like a child  
And hold me up so high  
And never let me go  
Take me, take me in your arms tonight Hold me, hold me up so high  
And never let me down  
Hold me, hold me up so high  
To touch the sky, just one more time Take me in your arms tonight  
Take me in your arms just one more time  
Just one more time, just one more time  
Just one more time  
Just one more time
