Amor

Los Amigos Invisibles

What is love? It's in the blood, it's just a way of life What is love? It's everything, it's something you can't hide What is love? Is it the way you look into my eyes? What is love? The things you do that take me by surpriseCoro: Amor is to love you, amor is to care Amor is to people with something to share Amor for the Spanish, amor for the French Love in any language always means the same What is love? Is it the joy of having you around? What is love? Is it the way you lift me when I'm down? What is love? Is it a dream no one can't do without? What is love? It's in the words that I'm singing outCoro What is love? La no Brasil se fala da curtir What is love? Dir en Francais ma petit cherie What is love? Es la emoción que despiertas en mi What is love? Around the world, They all know what it meansCoro Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
