

Voulez-Vous Danser

Ace of Base

i knew you before about five years ago
then you seemed to be like a person
who didn't act like the people i knew
yes something was special about you
a bit insecure but still kind of cute
at the same time easy to talk to
and now i see you again
and you're looking so goodvoulez-vous danser avec moi
voulez-vous danser avec moi ce soir
I look in the mirror and what do i see
you're the same kind of person you're like me
and I can't run away i'm so attracted by youvoulez-vous danser avec moi
voulez-vous danser avec moi ce soir
no more hesitation
you're what I've been searching for
so stay close to me
i wanna give you a better life
l'amour eternel
l'amour eternelvoulez-vous danser avec moi
voulez-vous danser avec moi ce soir
