

Sitigawana (feat. Faith Mussa) [Edit]

Rudimental & The Martinez Brothers

I wanna live in paralysis
I do not get what the system know
I will not run, I'll run, I'll run
I am a warrior, alone I wanna live in paralysis
I do not get what the system know
I will not run, I'll run, I'll run
I am a warrior, alone I wanna live in paralysis
I do not get what the system know
I will not run, I'll run, I'll run
I am a warrior, alone
I wanna live in paralysis
I do not get what the system know
I will not run, I'll run, I'll run
I am a warrior, alone No fear
I build my own up stronger
No fear
I build my own up stronger
No fear, no fear
I build my own up stronger
No fear
No fear, no fear I build my own up stronger
I build my own up stronger
I build my own up stronger
I build my own up stronger
No fear
I build my own up stronger
No fear
I build my own up stronger
No fear, no fear
I build my own up stronger
No fear
No fear, no fear I build my own up stronger
I build my own up stronger
I build my own up stronger
I build my own up stronger No fear
I build my own up stronger
No fear
I build my own up stronger No fear
