

Calling All the Monsters

China Anne McClain

Callin' all the monsters, callin' all the monsters
Callin' all, callin' all, callin' all the monsters Oh yea aye, oh yea aye, oh yea aye Heart thumps
and you jump
Comin' down with goosebumps!
You dare to go there
I'ma, I'ma get you so scared! We're wantin' to
We're hauntin' you
We're wantin' to
Ehh ehh If you stayed in too late
To be getting afraid
This scene extreme
I, I, I, I'ma get you so scared!
We're wantin' to
We're hauntin' you
We're wantin' to
Ehh ehh Gonna get your body shakin'
And wishin' you could just awaken Here we go...
Tonight all the monsters gonna dance
We're comin' to get you!
Tonight all the monsters gonna dance
We're comin' to get you!
If you're only dreaming
Why I hear you screaming?
Tonight all the monsters gonna dance
We're comin' to get you!
We're comin' to get you!
Callin' all the monsters, callin' all the monsters
Callin' all, callin' all, callin' all the monsters You hide or you try...
Kiss tomorrow goodbye!
We thrill to your chill...
B-B-B-Buckin' for a freak-out! We're wantin' to
We're hauntin' you
We're wantin' to
Ehh ehh We might just bite underneath the moonlight
More fun if you run!
I-I-I-I'm I'm already chasin' We're wantin' to
We're hauntin' you
We're wantin' to
Ehh ehh Gonna get your body shakin'
wishin' you could just awakex Here we go...
Tonight all the monsters gonna dance
We're comin' to get you!

Tonight all the monsters gonna dance
We're comin' to get you!
If you're only dreaming
Why I hear you screaming?
Tonight all the monsters gonna dance
We're comin' to get you!
We're comin' to get you! Callin' all the monsters, callin' all the monsters
Callin' all, callin' all, callin' all the monsters!
Gonna paint it red inside your head, head, head
Like a demon choir playing with fire, fire, fire
Gonna get your body shakin'
wishin' you could just awake
Tonight all the monsters gonna dance
We're comin' to get you!
Tonight all the monsters gonna dance
We're comin' to get you!
If you're only dreaming
Why I hear you screaming?
Tonight all the monsters gonna dance
We're comin' to get you!
We're comin' to get you!
Oh yea aye, oh yea aye, oh yea aye
We're comin' to get you!
