

Have a Little Faith In Me

John Hiatt

When the road gets dark
And you can no longer see
Just let my love throw a spark, baby
Have a little faith in me
When the tears you cry
Are all you can believe
Just give these loving arms a try, baby
Have a little faith in me
Have a little faith in me
Have a little faith in me
When your secret heart
Cannot speak so easily
Come here darlin'
From a whisper start
To have a little faith in me
When your back's against the wall
Just turn around and you, you will see
I will catch ya, I will catch your fall
Just have a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith in me
Well, I've been loving you for such a long time girl
Expecting nothing in return
Just for you to have a little faith in me
You see time, time is our friend
Cause for us there is no end
All you gotta do is have a little faith in me
I said I will hold you up, I will hold you up
Your love gives me strength enough
So have a little faith in me
I said-a
All ya gotta do for me girl is have a little bit of faith in me
I said-a
I said-a
