

# Deadly Weapons

## Eyes Set to Kill

I have to get away  
Out of this place where I became the type  
Who sits and laughs at everyone who judges me  
It's so damn dark in here, I can't see in front of  
me  
My flames have all burnt out my hopes no part of my reality  
There's no escaping fear, I can't breathe, I'm struggling  
My flames have all burnt out my hopes no part of my reality  
There's something pulling me in  
the wrong direction  
My confessions aren't at rest they can't get by  
Oh no, 'cause these are deadly weapons, deadly weapons  
Why must this perception take my breath? I can't get by  
Oh no, 'cause these are deadly weapons, deadly weapons  
With no direction to go, will my feet  
carry me?  
To where I need to go to find myself the perfect remedy  
Can I bare all of the weight of my mistakes?  
Give me strength, to where I need to go to find myself the perfect remedy  
There's something pulling me in the wrong direction  
My confessions aren't at rest they can't get  
by  
Oh no, 'cause these are deadly weapons, deadly weapons  
Why must this perception take my breath? I can't get by  
Oh no, 'cause these are deadly weapons, I can't get by  
Now I can never take it back  
Now I can never take it back  
The truth might take us down  
Lose ourselves in the sound  
I won't want to hear your name  
I won't want to see your face again  
Words crumble to the ground, you'll blow the candles out  
I won't want to hear your name  
I won't bare to see your face again  
There's something telling me I better take me chances  
My confessions aren't at rest they can't get by  
Oh no, 'cause these are deadly weapons, deadly weapons  
Why must this perception take my breath? I can't get by  
Oh no, 'cause these are deadly weapons, deadly weapons  
My confessions aren't at rest they can't  
get by  
Oh no, 'cause these are deadly weapons, I can't get by  
I know there's something more, I know  
there's something more  
(I can't get by)  
I know there's something more, I know there's something more  
Now I can never take this back  
Now I can never take it back
