

# Starstruck (feat. Katy Perry)

## 3OH!3

Nice legs, Daisy Dukes  
Makes a man go,  
That's the way they all come through like,  
Low-cut, see-through shirts that make ya,  
That's the way she come through like 'Cause I just set them up,  
Just set them up,  
Just set them up tonight (to knock them down),  
'Cause I just set them up,  
Just set them up,  
Just set them up tonight,  
to knock them down  
I think I should know how  
to make love to something innocent without leaving my fingerprints  
Out,  
Now,  
L-o-v-e's just another word I never learned to pronounce,  
How do I say I'm sorry 'cause the word is never gonna come out,  
Now,  
L-o-v-e's just another word I never learned to pronounce Tight jeans, double D's makin' me go,  
All the people on the street know,  
Iced out, lit-up make the kids go,  
All the people on the street know 'Cause I just set them up,  
Just set them up,  
'Cause I just set them up,  
Just set them up,  
Just set them up tonight,  
to knock them down  
I think I should know how  
to make love to something innocent without leaving my fingerprints  
Out,  
Now,  
L-o-v-e's just another word I never learned to pronounce,  
How do I say I'm sorry 'cause the word is never gonna come out,  
Now,  
L-o-v-e's just another word I never learned to pronounce You know that type of shit  
Just don't work on me  
Listen, no trying to flirt with me  
Don't take this personally  
Cuz we were never in love  
It doesn't really matter who you say you are  
Singing out the window of your car  
Find another girl across the bar

Cuz L-O-V-E's not what this was I think I should know how  
to make love to something innocent without leaving my fingerprints

Out,

Now,

L-o-v-e's just another word I never learned to pronounce,  
How do I say I'm sorry 'cause the word is never gonna come out,

Now,

L-o-v-e's just another word I never learned to pronounce
