I Feel You

Schiller

I feel youI feel you, in every stone
In every leaf of every tree
That you ever might have grownI feel you, in every thing
In every river that might flow
In every seed you might have sownI feel you

I feel you

I feel you, in every stone

In every leaf of every tree

That you ever might have grown

I feel you, in every thing

In every river that might flow

In every seed you might have sownI feel you

I feel you

I feel youI feel you

I feel you, in every vein

In every beatin' of my heart

Each breath I takeI feel you, anyway

In every tear that I might shed

In every word I've never saidI feel you

I feel you

I feel you

I feel you

I feel you, in every vein

In every beatin' of my heart

In every breath I'll ever take

I feel you, anyway

In every tear that I might shed

In every word I've never said

I feel you
