Courtesy Call

Thousand Foot Krutch

Hey-o here comes the danger up in this club

When we get started and we ain't gonna stop

We gonna turn it out till it gets too hot

Everybody sing, Hey-O

Tell'em turn it up till they can't no more

Lets get this thing shakin like a disco ball

This is your last warning, a courtesy callHey-O, here comes the danger up in this club

When we get started and we ain't gonna stop

We gonna turn it out till it gets too hot

Everybody sing, Hey-O

Tell'em turn it up till they can't no more

Lets get this thing shakin like a disco ball

This is your last warning, a courtesy call

I am not afraid of the storm that comes my way

When it hits it shakes me to the core

and makes me stronger than before

It's not a question about trust

but will you stand with us

Can you feel it, make it realI think it might wash away tonight

Awaken from this never ending fight

It takes more than meets the eye

This war we're fighting is not just rottingHey-o, here comes the danger up in this club

When we get started and we ain't gonna stop

We gonna turn it out till it gets too hot

Everybody sing, Hey-O

Tell'em turn it up till they can't no more

Lets get this thing shakin like a disco ball

This is your last warning, a courtesy call

There's a rumble in the floor

So get prepared for war

When it hits it'll knock you to the ground

When it shakes up everything around

but survival is a must

So will you stand with us

Can you feel it, make it real

Make me feel itI think it might wash away tonight

Awaken from this never ending fight

It takes more than meets the eye

This war we're fighting is not just rottingHey-o here comes the danger up in this club
