

# By Your Side

Sade

You think I'd leave your side, baby  
You know me better than that  
You think I'd leave you down when you're down on your knees  
I wouldn't do that I'll tell you, you're right when you want  
Aaah aaah aaah aaah  
If only you could see into me Oh when you're cold, I'll be there  
Hold you tight to me  
When you're on the outside, baby, and you can't get in  
I will show you, you're so much better than you know When you're lost and you're alone and  
you can't get back again  
I will find you darling and I will bring you home  
And if you want to cry  
I am here to dry your eyes And in no time, you'll be fine You think I'd leave your side, baby  
You know me better than that  
You think I'd leave you down when you're down on your knees  
I wouldn't do that  
I'll tell you, you're right when you want  
Aaah, if only you could see into me  
Oh when you're cold, I'll be there  
Hold you tight to me  
Oh when you're low  
I'll be there by your side, baby  
Oh when you're cold, I'll be there  
Hold you tight to me  
Oh when you're low  
I'll be there by your side, baby
