By Your Side

Sade

You think I'd leave your side, baby You know me better than that You think I'd leave you down when you're down on your knees I wouldn't do that I'll tell you, you're right when you want Aaah aaah aaah aaah If only you could see into meOh when you're cold, I'll be there Hold you tight to me

When you're on the outside, baby, and you can't get in I will show you, you're so much better than you knowWhen you're lost and you're alone and you cant get back again

> I will find you darling and I will bring you home And if you want to cry

I am here to dry your eyesAnd in no time, you'll be fineYou think I'd leave your side, baby You know me better than that

You think I'd leave you down when you're down on your knees

I wouldn't do that

I'll tell you, you're right when you want Aaah, if only you could see into me Oh when you're cold, I'll be there Hold you tight to me Oh when you're low I'll be there by your side, baby Oh when you're cold, I'll be there Hold you tight to me

Oh when you're low I'll be there by your side, baby
