

Stars

The xx

I can give it all on the first date
I don't have to exist outside this place
And dear, know that I can changeBut if stars shouldn't shine
By the very first time
Then dear it's fine, so fine by me
'Cause we can give it time
So much time
With me
I can draw the line on the first date
I'll let you cross it
Let you take every line I've got
When the time gets lateBut if stars shouldn't shine
By the very first time
Then dear it's fine, so fine by me
'Cause we can give it time
So much time
With meIf you want me
Let me know
Where do you wanna go
No need for talking
I already know
If you want me
Why go
If you want me
Let me know
Where do you wanna go
No need for talking
I already know
If you want me
Why goI can give it all on the first date
I don't have to exist outside this place
And dear, know that I can changeBut if stars shouldn't shine
By the very first time
Then dear it's fine, so fine by me
'Cause we can give it time
So much time
With meBut if stars shouldn't shine
By the very first time
Then dear it's fine, so fine by me
'Cause we can give it time
So much time

With me
