## **Cold Shoulder (Rusko Remix)**

## **Adele**

You say it's all in my head
And the things I think just don't make sense
So where you been then? Don't go all coy
Don't turn it 'round on me like it's my fault
See I can see that look in your eyes

The one that shoots me each and every time (every time) You grace me with your cold shoulder

Whenever you look at me I wish I was her

You shower me with words made of knives

Whenever you look at me I wish I was herThese days when I see you

You make it look like I'm see-through

Do tell me why you waste our time

When your heart ain't admitting you're not satisfied

You know I know just how you feel

I'm starting to find myself feeling that way too

When you grace me with your cold shoulder

Whenever you look at me I wish I was her

You shower me with words made of knives

Whenever you look at me I wish I was herTime and time again, I play the role of fool (Just for you)

Even in the daylight when you think that I don't see you Try to look for things I hear but our eyes never find

'Though I do know how you playYou grace me with your cold shoulder

Whenever you look at me I wish I was her

You shower me with words made of knives

Whenever you look at me I wish I was her

You grace me with your cold shoulder

Whenever you look at me I wish I was her

You shower me with words made of knives

Whenever you look at me I wish I was her
