

These Are the Days of Our Lives

Queen

Sometimes I get the feelin'
I was back in the old days long ago
When we were kids when we were young
Things seemed so perfect - you know
The days were endless we were crazy we were young
The sun was always shinin'
we just lived for fun
Sometimes it seems like lately
I just don't know
The rest of my life's been just a show
Those were the days of our lives
The bad things in life were so few
Those days are all gone now but one thing is true
When I look and I find I still love you You can't turn back the clock you can't turn back the tide
Ain't that a shame
I'd like to go back one time on a roller coaster ride
When life was just a game
No use in sitting and thinkin' on what you did
When you can lay back and enjoy it through your kids
Sometimes it seems like lately
I just don't know
Better sit back and go with the flow Cos these are the days of our lives
They've flown in the swiftness of time
These days are all gone now but some things remain
When I look and I find no change
Those were the days of our lives, yeah
The bad things in life were so few
Those days are all gone now but one thing's still true
When I look and I find
I still love you
I still love you
