

As Long As You Tell Him (Single Version)

Faces

Stewart-Wood Make sure that you tell him that I weren't your fool
Make sure that you tell him, baby, that I weren't your fool
Be sure to tell him I was never your fool
Make sure that you tell him, baby, that I weren't your fool, pretty soon. 'Cause I've overcome
worst problems than you, yeah
Yes, I've overcome worst problems than you. But be sure that you tell him I was never your fool
Be sure just, just to tell him, babe, I was never your fool
Please, please, tell him, honey, I was, I was never your fool
Just be sure that you tell him, baby, yeah, I was never your fool, listen.
'Cause I've overcome worst problems than you, oh, yeah, baby
'Cause I've overcome worst problems than you, tell him now. Just be sure that you tell him,
baby, I was never your fool
Be sure that you tell him, honey, I was never your fool, now listen the reason, listen.
'Cause I've overcome worst problems than you, ha!
Yes, I've overcome worst problems than you. You just better, just tell him, baby, I was never
your fool, no way
I was never, never, never, never your fool.
