

Seven Suns

Raury

I see the Sun, I see the Sun
Shining down on me, on me, on me I see the Sun, I see the Sun
Shining down on me, on me, on me Well I'm young and dumb
I'm young and dumb, Lord, have mercy
Among the ignorant youth
Among the ignorant youth, wild youth
But I know I'll find another way, oh yeah
But still I try, still I carry on
And still I fly with these broken wings
I see the sun shining down on me, oh yeah
Sometimes I feel my soul's not pure enough to change the world
Change the world, change the world
And I left my friends, I left my love behind for a bigger cause
Bigger cause, bigger cause, its bigger, way bigger
And if I'm cursed, if I'm cursed
And if I'm cursed here on this earth alone
This earth alone, no friends at all
Friends at all
I'll never question
I'll never wonder if its worth it all
Cause it's worth it all
And still I try with this burning will
The brightest flames of the Seven Suns
The brightest flames of the Seven Suns
The brightest flames of the Seven Suns
The brightest flames of the Seven Suns
The brightest flames of the Seven Suns Do you understand what I really mean?
I don't think you really get the purpose of what I'm trying to get at
Cause I believe I hold the key to life
I believe I harbor all the answers to questions you people been at
And I believe I'm godly in a way
And I believe the world is in my hands
I believe that I'm another giant defiant in my appearance
I am not alone in this world I am not alone
We are among you
The indigo youth, the indigo youth
Wild youth, wild youth, wild youth
