Hey, I've got a mouth full of cavities

Sweet tooth, full of mama, like sugar to me

So my love with the lips, put a bug in the ear tone

Shawty gotta kiss, it's an emergency

Spit sprung for the taste, addicted to her gloss

Won't smile this way, baby I rub it off

Put my tongue in your face

A little mistletoe, sippin' Gram I A

I'm a fan all day

Do me that favor, cuz I like your flavor

My manage behavior; I'm into your major

Sweeter so flavor, that's good for this player

My hood, now and later, throw back like a pager

Pretty much, you're givin' me a sugar rushLil mama, give me high blood pressure when you blush

Lips feel soft as a feather when we touch,
