Portishead

Ohh, can't anybody see
We've got a war to fight
Never found our way
Regardless of what they sayHow can it feel, this wrong
From this moment
How can it feel, this wrongStorm in the morning light
I feel
No more can I say
Frozen to myself
I got nobody on my side
And surely that ain't right
And surely that ain't rightOhh, can't anybody see
We've got a war to fight
Never found our way
Regardless of what they sayHow can it feel, this wrong
From this moment
How can it feel, this wrongHow can it feel, this wrong
From this moment
How can it feel, this wrong
Ohh, can't anybody see
We've got a war to fight
Never found our way
Regardless of what they sayHow can it feel, this wrong
From this moment
How can it feel, this wrong
