

Between the Cheats

Amy Winehouse

I would die before I divorce you
I'd take a thousand thumps for my love
Cause you kiss a lucky horseshoe
Stuck it in my boxing glove
Cause anyone who will see us
Through our victory and done defeat
Knows that I'll take you to the cleaners
If you come between the cheats Between the cheats, ooh oh oh ooh oh oh
Between the cheats, ooh oh oh ooh oh oh
My husband is the finest handsome hustler
And he still make this housewife blush
So I'm holding my hand in his
I'm sitting on the royal flush
Women drink him in, swimming in his green eyes
Then go home and catch the chips you got
And take a bad beat to ooh to boat oh!
The jack of hearts is my jackpot Between the cheats, ooh oh oh ooh oh oh
Between the cheats, ooh oh oh ooh oh oh
Catch me on, have to [?]
And I know as my heart beats
There's a winning secret to both
And it's sworn between the cheats
Between the cheats, ooh oh oh ooh oh oh
Between the cheats, ooh oh oh ooh oh oh
Between the cheats, ooh oh oh ooh oh oh
