

# Pray

## Kodaline

How many nights do you lie dreaming  
I'm counting the days since you went away  
When I lost my heart, life lost all meaning  
What I would give to see you again I'll pray for you  
Do you pray for me?  
I'll pray for you And you slipped away from me without talking  
The look in your eye was stronger than this  
And I drink alone to stop me from weeping  
What's left of my heart is forever yours  
Forever yours I'll pray for you  
Do you pray for me?  
I'll pray for you  
I know I know I know I know
