## **Pariah**

## **Bullet for My Valentine**

You're the reason I feel so alive

(I feel so alive)

You're the craving that tears me apart from the inside

You're my downfall, the one I obey

(The one I obey)

I'm the monster, the freak that you need and it's okayIs this sick and depraved?

I see hell it's divine

Is this twisted and crazed?

Or a brilliant disguise

It starts out a fantasy

Then turns into misery

I'll be your pariah

Take it out on me

Eyes shut, no reality

A sucker for your vanity

I'll be your pariah

Take it out on meI came to you like a moth to a flame I was the piece of the puzzle you played in your own game

(I'll play your game)

I should have known by the look in your eyes

But now we've gone too far

Now I'm holding on tight

Trying hard just to survive

Is this sick and depraved?

I see hell it's divine

Is this twisted and crazed?

Or a brilliant disguiseIt starts out a fantasy

Then turns into misery

I'll be your pariah

Take it out on me

Eyes shut, no reality

A sucker for your vanity

I'll be your pariah

Take it out on meYou know it's what I need

So come and take it out on meIs this sick and depraved?

I see hell is divine

Is this twisted and crazed?

Or a brilliant disguiseIt starts out a fantasy

Then turns into misery

I'll be your pariah

Take it out on me

Eyes shut, no reality
