

bitches broken hearts

Billie Eilish

You can pretend you don't miss me
You can pretend you don't care
All you wanna do is kiss me
Oh, what a shame, I'm not there You can pretend you don't miss me
You can pretend you don't care
All you wanna do is kiss me
Oh, what a shame, I'm not there What is it you want?
You can lie, but I know that you're not fine
Every time you talk
You talk 'bout me, but you swear I'm not on your mind
You can pretend you don't miss me
You can pretend you don't care
All you wanna do is kiss me
Oh, what a shame, I'm not there Everybody knows
You and I are suicide and stolen art
Pretty mama sews
Stitches into all your bitches broken hearts You can pretend you don't miss me
You can pretend you don't care
All you wanna do is kiss me
Oh, what a shame, I'm not there Somebody new
Is gonna comfort you like you want me to
Somebody new
Is gonna comfort me like you never do
Every now and then, it hits me
That I'm the one that got away
But I guess being lonely fits me
And you were made for begging, "Stay"
