## My Best Girl

## Lucero

Well im a sucker for some pretty eyes but they're going home with some other boy tonight hell, i guess i'll be fine cause there's one girl that's all mine she's seen it before she'll see it again cause that other girls going home with him and come back to her and she don't mind she's my best girl she's got six strings and she knows all about these heart breakin things no her might eyes might not shine, she's always by my side hell, she's all mine for all night she's my best girl by far shes all mine for all night and she'll never break my heart she don't care if i come home late or if i don't come home ater seven long days she knows that i'm hers and she knows to wait she knows those other girls just won't last she knows i'll always come on back. to her she's all that i've got she's my best gril she's got six strings and she knows all about these heart breakin things and no her eyes might not shine shehe 's always by my side hell she's all mine for all night she's my best girl by far she's all mine for all night the only girl a boy can trust is his guitar she's my best girl she's got six strings and she knows all about these heart breakin things and no her eyes might not shine she's always by my side no her eyes might not shine, but atleast shes all mine Song Discussions is protected by U.S. Patent 9401941.
