

# Clouds

## One Direction

I know you said  
That you don't like it complicated  
That we should try keep it simple  
But love is never ever simple  
NoSomeday  
You're gonna see the things that I see  
You're gonna want air that I breathe  
You're gonna wish you never left meHere we go again  
Another go round for all of my friends  
Another night stop will it ever end  
Here we go again  
Another go round for all of my friends  
Another night stop will it ever end  
If we're never coming back down  
Yeah we're looking down on the cloudsI know you said  
That you don't like it complicated  
That you are tired of all the changes  
But love is always always changing  
WoahSomeday  
You're gonna see the things that I see  
You're gonna want air that I breathe  
You're gonna wish you never left meHere we go again  
Another go round for all of my friends  
Another night stop will it ever end  
Here we go again  
Another go round for all of my friends  
Another night stop will it ever end  
If we're never coming back down  
Yeah we're looking down on the cloudsAnd we go  
And we go  
And we go  
And we don't stopBut we don't  
No we don't  
No we don't  
Never go upAnd we go  
And we go  
And we go  
And we don't stopBut we don't  
No we don't  
No we don't  
Never go upHere we go again  
Another go round for all of my friends

Another night stop will it ever end  
Here we go again  
Another go round for all of my friends  
Another night stop will it ever end (Here we go again)  
Here we go again  
Another go round for all of my friends (Here we go again)  
Another night stop will it ever end  
Here we go again (Here we go again)  
Another go round for all of my friends  
Another night stop will it ever end (Here we go again)
