

# I Really Don't Want to Know

**Dolly Parton & Willie Nelson**

How many arms have held you  
And hated to let you go  
How many, how many I wonder  
But I really don't want to know  
And how many lips have kissed you  
And set your soul aglow  
How many, how many I wonder  
But I really don't want to know So always make me wonder  
And always make me guess  
Even if I ask you  
Darlin', don't confess No you just let that remain your secret  
'Cause darlin' I do love you so  
How many, how many I wonder  
But I really don't want to know  
How many, how many I wonder  
But I really don't want to know
