

Drop Dead Gorgeous

Republica

Yeah, yeah
Backward words, he got 'em
Shut up, I'm talkin'
This time, you'll listen
But when I look at you, you're forgiven You drive too fast and
I smoke too much and
My heart is broken
But when I look at you, you're forgiven
You're forgiven I know my ex-boyfriend lies
Oh, he does it every time
It's just his permanent disguise
Yeah, yeah but he's drop dead gorgeous
Don't go changin' every time
Not for me to compromise
You're still a friend of mine
Yeah, yeah and you're drop dead gorgeous Yeah end of, stop sulkin'
Get out, you're walkin'
Too bad, I've spoken
But when I look at you, you're forgiven Your lies, don't want 'em
Drop dead, not jokin'
This thing is broken
But when I look at you you're forgiven
You're forgiven I know my ex-boyfriend lies
Oh, he does it every time
It's just his permanent disguise
Yeah, yeah but he's drop dead gorgeous
Don't go changin' every time
Not for me to compromise
You're still a friend of mine
Yeah, yeah and you're drop dead gorgeous Yeah, yeah
I know my ex-boyfriend lies
Oh, he does it every time
It's just his permanent disguise
Yeah, yeah, but he's drop dead gorgeous Don't go changin' every time
Not for me to compromise
You're still a friend of mine
Yeah, yeah, and you're drop dead gorgeous I know my ex-boyfriend lies
Oh, he does it every time
It's just his permanent disguise
Yeah, yeah, but he's drop dead gorgeous Don't go changin' every time
Not for me to compromise
You're still a friend of mine

Yeah, yeah, and you're drop dead gorgeous Yeah, yeah
Drop dead
