

Invisible

5 Seconds of Summer

(What? What's that?)

Another day, of painted walls and football on the TV

No one sees me

I fade away, lost inside a memory of someone's life

It wasn't mine

I was already missing before the night I left Just me and my shadow and all of my regrets

Who am I? Who am I when I don't know myself?

Who am I? Who am I? Invisible

Wasted days, dreaming of the times I know I can't get back

It seems I just lost track

Looking on as all of life's colours seem to fade to grey

I just walked away

I was already missing before the night I left Just me and your shadow and all of my regrets

Who am I? Who am I when I don't know myself?

Who am I? Who am I? Invisible

Who am I? Who am I when I don't know myself?

Who am I? Who am I? Invisible

Who am I? Who am I when I don't know myself?

Who am I? Who am I? Invisible

Another day, the walls are built to keep me safe

I can't escape, it's too late
