Suddenly (Dave Darell Vocal Mix)

BT

You. And your emotion. I'm on your side I say a prayer And you. And you're devotion You're locked away. Alone in thereAnd I love it when you fall. And I love it when you fall. And I love it when you fall. To me You. And your emotion I'm on your side I say a prayer And you. And you're devotion You're locked away Alone in there'Cause I don't want you to feel forgotten And only you can choose your fate Remember that all the pain that crossed here And there's no space to place the blameAnd I love it when you fall. To me And I love it when you fall. To me You. And your addiction Inside your lovely face Its left a track For you It's taken over You run away The truth comes back'Cause I don't want you to feel forgotten And I don't want you to fall away But you know there's something I've forgotten And notes I left for all to blameAnd I love it when you fall. To me And I love it when you fall. To meCause you and me we're gonna be special You and me we're gonna be specialAnd I love it when you fall. To me And I love it when you fall.

To meAnd I love it when you fall. And I love it when you fall. And I love it when you fall. To meAnd I love it when you fall. To me And I love it when you fall. To me And I love it when you fall.
