

Peace of Mind (feat. Stefflon Don & Trey Songz)

Sean Kingston & Davido

So often Tell me, why do we argue so often? And I can never get a peace of mind
(Gyal I never getta peace of mind)
'Cause somehow every time you call me
I find myself right back by your side
Oh I can't lie, you're the one that keeps me high
When the rain is falling, need you darlin'
Don't need no drugs right now
Girl, you my kryptonite
When the rain is falling, I need you darlin' (I need ya)
I need ya, feel like ya teacher
Feel like I, just might tease ya
I won't leave ya
