

# On the Night Like This

## Mocca

On the night like this  
There's so many things I want to tell you  
On the night like this  
There's so many things I want to show youCause when you're around  
I feel safe and warm  
cause when you're aroundI can fall in love every dayIn the case like this  
There are a thousand good reasons  
I want you to stay...
