Strings and Attractors

How to Destroy Angels

A million lies that now define Us all together A new ideal, all so real Like I rememberAnd sometimes I Get lost in time Sometimes I fear I'm lost in hereAll these little strings Holding us together All these precious things Can make them last All these little strings Keep holding us together All these precious things Make them last forever So very slow You'd never know The moment fading We watch the end Over again And keep repeatingI feel like I'm I feel like I'm I feel like I'm Just disappearing All these little strings Holding us together All these precious things Can make them last All these little strings Keep holding us together All these precious things Make them last forever Song Discussions is protected by U.S. Patent 9401941.
