

# Alone Again (feat. Jump Smokers)

Alyssa Reid

Till now  
I always got by on my own  
I never really cared until i met you  
And now it chills me to the bone  
How do i get you alone?The phone calls  
Can you stop the free falls  
Can you be the reason i can see beyond the lies if i keep holding on  
I hear you  
Can you stop the screaming  
Did you stop believing i can feel you letting go  
Can't be alone tonight  
When you said i could move on and go  
You said i'm weak and it shows  
I couldn't go on without you  
Now i'm sitting in this house alone  
Wondering why i left home  
And i hoping that you know that...Till now  
I always got by on my own  
I never really cared until i met you  
And now it chills me to the bone  
How do i get you alone?And you leave me  
I know you see right through me  
I finally thought you knew me well enough to know with you i feel so ordinary  
It's a crime scene  
Someone killed the last dream  
Did you stop believing  
I can feel you letting go  
Can't be alone tonight  
When you said i could move on and go  
You said i'm weak and it shows  
I couldn't go on without you  
Now I'm sitting i this house alone  
Wondering why i left home  
And i'm hoping that you know that...Till now  
I always got by on my own  
I never really cared until i met you  
And now it chills me to the bone  
How do I get you alone?  
How do I get you alone?I wonder where you are tonight  
No answer on the telephone  
And night goes by so very slow  
Ohhhh

I hope that it won't end though  
Alone  
And I'm hoping that you know that...Till now  
I always got by on my own  
I never really cared until i met you  
And now it chills me to the bone  
How do i get you alone?Till now  
I always got by on my own  
I never really cared until i met you  
And now it chills me to the bone  
How do i get you alone?  
How do i get you alone?
