

I Want It All

Queen

I want it all, I want it all
I want it all and I want it now Adventure seeker on an empty street
Just an alley creeper, light on his feet
A young fighter screaming with no time for doubt
With the pain and anger can't see a way out It ain't much I'm asking, I heard him say
Gotta find me a future, move out of my way I want it all, I want it all
I want it all and I want it now
I want it all, I want it all
I want it all and I want it now Listen all you people, come gather round
I gotta get me a game plan, gotta shake you to the ground
Just give me what I know is mine
People, do you hear me, just give me the sign
It ain't much I'm asking, if you want the truth
Here's to the future for the dreams of youth I want it all, I want it all
I want it all and I want it now
I want it all, I want it all
I want it all and I want it now I'm a man with a one track mind
So much to do in one life time
Not a man for compromise and where's and why's and living lies
So I'm living it all, yes, I'm living it all
And I'm giving it all, and I'm giving it all It ain't much I'm asking, if you want the truth
Here's to the future, hear the cry of youth I want it all, I want it all
I want it all and I want it now
I want it all, I want it all
I want it all and I want it now
And I want it
Now
I want it
I want it
