

# Sleazy

## Village People

Sleazy, I like it sleazy.  
I like it skeazy.  
I like it sleazy.  
Sleazy, hey hey I like it sleazy.  
I like it sleazy.  
I like it skeazy.  
I love sleazy baby. I like it sleazy. You can turn my head around,  
I like to feel it low down.  
I'm the baddest jock around,  
And I'm sleazy. God is movin' like a flame,  
'cause I'm a stud, I know the name.  
I know I'm more than you can take,  
'cause I'm sleazy.  
Sleazy, yeah, I like it sleazy,  
You know how I like it baby.  
I like it sleazy.  
Oh I like it sleazy,  
I like it sleazy.  
Sleazy, what's that?  
I like it sleazy.  
Watch me, watch me get sleazy.  
I like it sleazy.  
Oh, I like it sleazy. I'm your every fantasy.  
I am what you want to be.  
Get down on your knees with me and get sleazy.  
Sleaze with me down deep inside,  
It brings out feelin' satisfied.  
I'll take you for a nasty ride,  
Yes I'm sleazy.  
Sleazy, oh ho.  
I like it sleazy.  
Sleazy and greasy baby.  
I like it skeazy.  
How y'all out there.  
I like it sleazy.  
Sleazy, yeah, I like it sleazy.  
Oh let's get nasty baby.  
I like it sleazy.  
I'll take you for a bad ride.

'cause sleaze is what I'm all about. I like to let it all hang out,  
'cause I'm sleazy. Watch me while I do my thing,

I like my music loud and mean.  
I'll rock until I bust my chains,  
Now that's sleazy. Sleazy, oh ho. I like it sleazy.
