

Can't Go Home

K CAMP & GENIUS

[Chorus: DJ Genius]

World so cold, world so cold, world so cold (world so cold)
Lost my soul chasing hoes, Can't go Home (Can't go home)
In Dubai wit two hoes (wit two hoes), I'm on the throne (Im on the throne)
When that flexin go wrong, that money gone (that money gone)[Bridge]
If you ain't talkin bout no cash, Don't call my phone
Days I was broke these niggas laughed, they did me wrong did me wrong[Verse 1: K Camp]

Hey, Hey now a young nigga just flexin up
So you know it ain't no catching us
Both of these pockets, double stuffed
Young nigga bank account, filled it up
Don't give a damn if you're feelin us
Started from the mud yeah, I just need love yeah
All my life I've been solid, please prove me wrong
I've been praying on this day, its been so long

[Chorus: DJ Genius & K Camp]

World so cold, world so cold, world so cold (world so cold)
Lost my soul chasing hoes, Can't go Home (Can't go home)
In Dubai wit two hoes (wit two hoes), I'm on the throne (Im on the throne)
When that flexin go wrong, that money gone (that money gone)
All my life I've been solid, please prove me wrong
I've been praying on this day, its been so long[Verse 2: K Camp]
