

# Look What The Cat Dragged In

## Giggs

Yeahh...  
Yeahh...  
Yeahh... Look what the cat dragged in...  
Look what the cat dragged in...  
Look what the cat dragged in...  
Look what the cat dragged... Cream of the crop shit  
I got chicks all schemin' to chop giggs  
They feelin ma hot shit  
BP's wanna' lean in ma cockpit (Yes!)  
Feelin ma chopstick  
Diabetes, feelin the chocolate (Uhm!)  
Beatin it off shit  
Have a three-some, peas in a pod shit  
I'm a bait artist  
I done it bare back... I take chances  
Straight nasty... I aint glacing  
I'm a breast man but I rate arses...  
Late parties, but I aint dancin  
Goavssier fillin up eight glaases  
Vip shit, eight paases  
Suttin freaky for me to take part in  
Look at the swag dats himm  
Hollowman who gets the last bags in  
Look at him, kicks and the hats matchinn (that's right)  
Look what the cat dragged in  
This aint your average bling  
Look at him  
This aint an average thingg  
Look what the cat dragged (cat dragged)  
Push up your black flag (blag flag)  
But I came round  
Fess juss rang, Nuts came down  
Ma little nuts playground  
I was guilty but I'm a bust case now  
I want my cup cake round  
I want to touch base now!  
Look round at Nuts face smile  
I make the sluts go Wild!  
Told the mandemm to not argue...  
Nuts toilet, Fuck bathroom...  
Hollowmans nice... topclaas room  
Fess stil ringin sayin he might pass through  
My little light caastle

Cos hollowmans packagin' the right parcel  
That Slim Shady... like Marshall  
His friends still comin' with a nice car full  
Look at the swag dats himm  
Hollowman who gets the last bags in  
Look at him, kicks and the hats matchinn (that's right)  
Look what the cat dragged in  
This aint your average bling  
Look at him  
This aint an average thingg  
Look what the cat dragged (cat dragged)  
Push up your black flag (blag flag)
