

# I Betcha Didn't Know That

## KC and the Sunshine Band

I'm blessed, oh, I guess I'm the luckiest guy in the world  
Oh babe, you don't know what you do to me, girl, no  
Sometimes I forget to say the things I should say to you  
Oh babe, I spend all my time loving you, loving you Your love makes me strong when things go  
wrong  
I betcha didn't even know that  
You're my sun shiny day when skies are gray  
I betcha didn't even know that  
You're my everything, my whole world revolves around you In times of despair, you proved to  
me that your love is real  
I like, I like the way that you make me feel, make me feel  
So proud I am to be able to say you're my own  
Oh babe, in your love I found me a home, found me a home  
Your love makes me strong when things go wrong  
I betcha didn't even know that  
You're my sun shiny day when skies are gray  
I betcha didn't even know that  
You're my everything, my whole world revolves around you I betcha didn't even know that  
I betcha didn't know that, I betcha didn't know that  
I betcha didn't even know that I betcha didn't know that, I betcha didn't know that  
I betcha didn't even know that  
I betcha didn't know that, I betcha didn't know that  
I betcha didn't even know that You're my sunshine, you're my sunshine  
I betcha didn't even know that  
And you're my everything, you're my everything  
I betcha didn't even know that  
You make me happy, you make me happy  
I betcha didn't even know that  
No, no, no, no, oh no  
I betcha didn't even know that, no I know you don't know it  
I betcha didn't even know that  
I wanna spend my life with ya, spend my life with ya  
I betcha didn't even know that, no I don't want nobody else, no, no, nobody else  
I betcha didn't even know that  
You turn my sky from gray into a sunny day  
I betcha didn't even know that  
No, no, no, oh baby  
I betcha didn't even know that
