Forever Young

Alphaville

Let's dance in style, let's dance for awhile
Heaven can wait, we're only watching the skies
Hoping for the best but expecting the worst
Are you going to drop the bomb or not?Let us die young or let us live forever
We don't have the power, but we never say never
Sitting in a sandpit, life is a short trip

The music's for the sad menCan you imagine when this race is won?

Turn our golden faces into the sun Praising our leaders, we're getting in tune The music's played by the the madmen

Forever young, I want to be forever young
Do you really want to live forever
foreveror never
Forever young

to be femarical view

I want to be forever young
Do you really want to live forever?Forever young
Some are like water, some are like the heat
Some are a melody and some are the beat
Sooner or later they all will be gone
Why don't they stay young?
It's so hard to get old without a cause

I don't want to perish like a fleeing horse

Youth's like diamonds in the sun

And diamonds are forever

So many adventures couldn't happen today

So many songs we forgot to play

So many dreams swinging out of the blue

We let them come true

Forever young, I want to be forever young Do you really want to live forever

forever

or never?

Forever young, I want to be forever young Do you really want to live forever

forever

or never?

Forever young, I want to be forever young
Do you really want to live forever?
