

Somebody

Bridgit Mendler

Can you see me?
Cause I'm right here
Can you listen?
Cause I've been trying to make you notice
What it would mean to me
To feel like somebody
We've been on our way to nowhere
Tryin so hard to get there And I say
Oh!
We're gonna let it show!
We're gonna just let go of everything
Holding back our dreams
And try
To make it come alive
C'mon let it shine so they can see
We were meant to be
Somebody (Somebody)
Somebody, yeah (Somebody)
Somehow
Someday
Someway
Somebody I'm so tired
Of being invisible
But I feel it, yeah
Like a fire below the surface
Trying to set me free
Burnin inside of me Cause we're standing on the edge now
It's a long way down But I say
Oh!
We're gonna let it show!
We're gonna just let go of everything
Holding back our dreams
And try
To make it come alive
C'mon let it shine so they can see
We were meant to be
Somebody (Somebody)
Somebody, yeah (Somebody)
Somehow
Someday
Someway
Somebody We will walk out of this darkness

Feel the spotlight glowing like a yellow sun Ohohohohoh (Ohohohohoh)
And the we fought we fought together
Till we get back up and we will rise as one
Ohohohohoh Oh!
We're gonna let it show!
We're gonna just let go of everything
Holding back our dreams
And try
To make it come alive
C'mon let it shine so they can see
We were meant to be
Somebody (Somebody)
Somebody, yeah (Somebody)
Somehow
Someday
Someway
Somebody
Somebody
Ooo Oh
