

# On the Loose

## Europe

WohRunnin' out on the streets, he lives from day to day  
Lookin' for somethin' to do, he needs to get away  
Hopin' that maybe one day, he could be someone  
Prayin' that maybe someday, he could be number oneIn his world of make believe  
Yeah, he always tends to be  
On the loose  
So young, so tough, so wild  
On the loose again  
Ohh, dreamin', dreamin' about, all the things he'd like to do  
Tryin', tryin' so hard, to make it all up to youIn his world of make believe  
Yeah, he always tends to be  
On the loose  
So young, so tough, so wild  
On the loose againOhh, he's got somethin' to say, yeah  
Ohh, You'd better not stand in his way look out  
Ohh, in his world of make believe  
Yeah, he always tends to be  
On the loose  
So young, so tough, so wild  
On the loose again  
Yeah, on the loose  
So young, so tough, so wild  
On the loose again
