A Certain Romance

Arctic Monkeys

Well oh they might wear classic Reeboks Or knackered Converse or tracky bottoms tucked in socks But all of that's what the point is not The point's that there ain't no romance around there And there's the truth that they can't see They'd probably like to throw a punch at me And if you could only see them, then you would agree Agree that there ain't no romance around there You know, oh it's a funny thing you know We'll tell 'em if you like, we'll tell 'em all tonight They'll never listen because their minds are made up And course it's all okay to carry on that way 'Cause over there, there's broken bones There's only music, so that there's new ringtones And it don't take no Sherlock Holmes To see it's a little different around here Don't get me wrong, oh there's boys in bands And kids who like to scrap with pool cues in their hands And just 'cause he's had a coupla cans He thinks it's alright to act like a dickhead Don't you know, oh it's a funny thing you know We'll tell 'em if you like, we'll tell 'em all tonight They'll never listen because their minds are made up And course it's all okay to carry on that way But I said no, oh no Well oh you won't get me to go Not anywhere, not anywhere No I won't go, oh no no Well over there there's friends of mine What can I say, I've known 'em for a long long time And they might overstep the line But I just cannot get angry in the same way No not in the same way, so not in the same way Oh no, oh no no
