

# You Really Got Me Now

**Jon Bon Jovi**

Well, you been dancin' with your shadow  
You been talkin' in your sleep  
And you can walk on water  
But don't wanna wet your feet You really got me  
You really got me now  
You know I don't know how you do it  
But you really put me through it  
Yeah, you got me  
You say you'll talk to anyone  
Who's anyone in town  
But they don't recognize you  
With your foot out of your mouth You really got me  
You really got me now  
You know I don't know how you do it  
But you really put me through it  
Yeah, you got me You brought a knife out to a gunfight  
And you're shouting that I'm dead  
My old friends Smith and Wesson  
Think you're in over your head  
You really got me  
(You really got me)  
You really got me now  
You know I don't know how you do it  
But you really put me through it  
Yeah, you got me now You really got me  
(You bet your britches, baby)  
You really got me now
